## Generic Sort to Start the Year

Sort your words according to subject. **Alphabetize the words in each column.**

<b>Sci.</b>	<b>Soc. St.</b>	<b>Math</b>
<b>Oddballs</b>		

**Use 3 of your words in quality sentences below (only one word per sentence). Each sentence should be 8-10 words in length. Circle your spelling word in the sentence.**

[illegible]

**With a partner decide which of your words would be worth the most points in scrabble. Select 5 words to total up. Each person needs to record the results on their own paper. Use the scrabble tiles to determine points. Record each letter of the word in the top boxes and points in the bottom boxes.**
